

## REDUCE

Buy fewer clothes, plus buy clothes that are well made and good quality. Ask yourself, "Will I wear this item 30 times?" #30wears

## CARE & REPAIR

Sewing a button, a seam or hemming trousers can give clothing a new lease of life.

## REUSE & RE-FASHION

If something you love can't be repaired, why not turn it into something new? Upcycling brings new life to something you already own.

## RECYCLE

If your clothing is good quality and looking for a new home take it to any of the charity shops on the map overleaf and consider good giving.

# TIPS FOR GOOD GIVING

Are you having a wardrobe clear out? If so, please consider donating pre-loved items to your favourite charity.

Before passing on clothing, ask yourself, would I buy this if I saw it in a charity shop? If the answer is no, then it probably shouldn't be donated.

### Good tips for giving are to make sure:

- ✓ Your items are clean, smell fresh, have no holes, are not pilled or faded.
- ✓ You drop off items during open hours.
- ✓ If you have more than a car-load, call the shop to arrange a time to drop off.

Goods which can't be reused should be taken to a Tasman District Council Resource Recovery Centre.
